

Draw the Path: Portfolio Sitemap + Toolkit

Name: Akanksha Tripathi

Track: General AI Fluency - Week 1

1. Portfolio Sitemap

2. AI Toolkit

- ✓ ChatGPT Account
- ✓ Claude Account/✓ Gemini Account
- ✓ Perplexity Account

3. Claude Project

Project Name: AI Portfolio Builder

Custom Instructions: You are my AI tutor. Help me build a professional portfolio, improve projects, and guide me step by step with simple explanations.

4. Pressure-Test Prompt

Prompt: Review my portfolio sitemap. Is it simple, clear, and convincing for recruiters? Suggest improvements.

Summary of AI Output: Add a stronger headline, keep only best projects, add a clear Contact button, and simplify navigation.

Change Made: Reduced unnecessary sections and improved the headline.

Conclusion

This assignment demonstrates a simple portfolio structure and the setup of essential AI tools for future learning.
